

Mevalia

AMINO ACIDS

Food for special medical purposes. For the dietary management of Phenylketonuria (PKU) and Hyperphenylalaninemia (HPA) in children aged 3 years and over, adolescents and adults.

Mevalia PKU Motion is phenylalanine-free liquid containing amino acids, vitamins, trace elements and minerals; tropical flavour. Contains sweetener.

No Preservatives.

Preparation and administration: The recommended intake is dependent on age, body weight and individual medical condition and has to be determined by a clinician or dietitian only. The daily intake should be distributed throughout the day. The product can be consumed as it is, best served chilled. Shake well before use. Water should be taken after consumption.

Shake well before use. One pack of Mevalia PKU Motion contains 20g of protein equivalent.

IMPORTANT NOTICE:

- Use under medical supervision.
- For people with PKU/HPA aged 3 years and over.
- Not suitable for individuals without PKU/HPA.
- Not suitable as a sole source of nutrition.
- Not for parenteral use.

Ingredients: peach juice from concentrate 33.5%, water, papaya juice from concentrate 5.6%, apple juice from concentrate 4.8%, L-tyrosine, L-Glutamic acid, L-Proline, L-Arginine-L-aspartate, L-serine, L-threonine, Di-calcium phosphate, L-lysine-L-aspartate, L-leucine, glycine, L-lysine-L-glutamate, L-valine, L-alanine, L-isoleucine, flavour (tropical fruits), tricalcium citrate, L-histidine, L-cystine, magnesium carbonate, choline bitartrate, Tri-potassium citrate, L-methionine, emulsifier: mono- and diglycerides of vegetable fatty acids; L-tryptophan, safflower extract, acids: citric acid, tartaric acid, thickener: xanthan gum; L-carnitine-L-tartrate, sweetener: sucralose; potassium phosphate, ascorbic acid, iron sulphate, zinc sulphate, colour: beta carotene; niacinamide, DL-alpha-tocopherol, manganese sulphate, pantothenic acid, copper sulphate, riboflavin, pyridoxine hydrochloride, thiamine, retinyl palmitate, retinyl acetate, folic acid, potassium iodide, chromium chloride, sodium molybdate, sodium selenite, biotin, phloquinone, cholecalciferol, cyanocobalamin.

Store in a dry and cool place. Once opened, store in a refrigerator and use within 24 hours. Best before end: see right side of pack.
